

# MileGuard<sup>®</sup> Premium High Mileage Motor Oils

## Product Data Sheet

**MileGuard Premium High Mileage Motor Oils** are formulated to provide older engines protection under severe operating conditions. **MileGuard Premium High Mileage Motor Oils** are available in 5W-30 and 10W-30 viscosity grades and are blended from selected and highly refined base oils compounded to provide protection against wear and corrosion, prevent oxidative thickening and inhibit promotion of engine acids, sludge and varnish deposits.

**MileGuard Premium High Mileage Motor Oils** may be used over a wide temperature range and are formulated to meet the requirements of high mileage vehicles that have accumulated over 75,000 miles and may be experiencing an increase in oil consumption or an increase in leakage.

**MileGuard Premium High Mileage Motor Oils** are engineered to protect against high temperature oxidation and viscosity breakdown, minimize start-up wear, and control engine deposits. They are also designed to increase fuel economy, lower engine operating temperatures and extend engine life. Please refer to your service manual for manufacturer's API Service recommendations.

Exceeds requirements of API Service Category's SM, SL, and SJ.

### Benefits

- Helps reduce oil consumption and leaks
- Fuel efficient energy conserving formulation
- Helps reduce engine wear and corrosion
- Excellent low temperature pour point
- Exceeds manufacturers' U.S. warranty requirements

# MileGuard<sup>®</sup> Premium High Mileage Motor Oils

## Product Data Sheet

### Typical Characteristics

#### MileGuard Premium High Mileage

	5W-30	10W-30
Viscosity		
@40 Deg. C, cSt	66.5	76.3
@100 Deg. C, cSt	10.5	11.2
Flash, COC, °F	420	405
Viscosity Index	150	135
API Gravity	29.9	29.1
Specific Gravity	0.8767	0.8811
Pour Point, °F	-30	-30
API Performance	SM	SM

#### Pallet Specifications:

29001 (5W-30)	12/1 qt.	6 rows/14 count	84/pallet
28101 (10W-30)	12/1 qt.	6 row/14 count	84/pallet
